Hope for the Children of **Kashmir**

From the harsh winters to remote valley schooling, we are dedicated to bringing warmth, education, and healthcare to every child in Jammu & Kashmir.

Our Core Initiatives

Winter Relief

Providing heavy blankets, pherans, and kangris to ensure children in remote Kashmiri villages stay warm during the harsh Chillai Kalan.

Valley Education

Establishing community learning centers in Kupwara, Bandipora, and Anantnag to ensure continuous education despite weather or disruptions.

Mobile Healthcare

Deploying mobile medical camps to high-altitude areas where hospitals are inaccessible, focusing on child nutrition and immunizations.

Warm a Child's Heart This Winter

Your contribution can provide a Winter Survival Kit for a child in Kashmir, protecting them from sub-zero temperatures.

Kashmir Hope

Empowering the children of the Kashmir Valley through winter relief, valley education, and community healthcare.
